

Always a Special Place to Me

I started riding at Meadowbrook in 2008 and was devastated when I left last year. It will always be a special place to me. Starting out on Teddy and finally ending up with Bage there was never a dull moment. I remember looking forward to the weekends and holidays where I could spend hours on end with the horses and my friends. Although it was sometimes challenging, I could always count on Ed, Spencer and the interns to brighten up my day.

One of the most special memories I have is the first tournament in November 2011. I was really nervous but everyone there helped me get through it and it turned out to be a lot of fun, especially when Chu Chu refused to get back into the trailer.

Even though there were challenges along the way, I do not regret a single moment I was at Meadowbrook as there were also so many highlights. From just spending time with Bage in the paddocks to riding on tiny ponies as Santas, I loved it all. I just want to thank everyone who made my time here so special. I miss you and will never forget all that you have done for me... - Lara Drewes
